Dear Secretary-General,

I am pleased to confirm that FOR SPILLS GROUP supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption.

We are committed to making the UN Global Compact and its principles part of our strategy, culture and day-to-day operations and to engage in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. FOR SPILLS GROUP will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and will report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy, which includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles..
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

We look forward to working with the UN and to supporting the ten principles of the Nations Global Compact.

Yours sincerely,
