Dear Mr. Secretary General,

I am pleased to confirm that Eight Goals One Foundation (8one) supports the ten principles of the UN Global Compact with respect to human rights, labour, environment, and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- Aligning the Foundation's vision to amplify the impact of the 10 principles of UN Global Compact.
- Contributing to the advancement of the UN Global Compact and UN Sustainable Development Goals through various outreach initiatives of the Foundation.
- Partnering with both participants of the UN Global Compact as well as non-participants to mutually implement UN Global Compact principles.
- Addressing common challenges with other stakeholders to uphold and fulfil UN Global Compact principles and UN Sustainable Development Goals.

We recognise that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organisation's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Ramit Singh Chimni
Director
