

7<sup>th</sup> August 2023

H.E. António Guterres  
Secretary-General  
United Nations  
New York, NY 10017  
United States of America

Dear Secretary-General Guterres,

**NanoMalaysia's Commitment to the UN Global Compact and Sustainable Development Goals.**

NanoMalaysia Berhad would like to express our firm commitment to the principles and goals of the United Nations Global Compact. We recognise the vital role that responsible business practices play in advancing sustainable development, and we are dedicated to contributing to the realisation of a better and more sustainable world.

NanoMalaysia Berhad fully endorses the Ten Principles of the UN Global Compact, encompassing human rights, labor, environment, and anti-corruption. We are resolute in our dedication to uphold these principles in our operations, strategies, and interactions with all stakeholders. We pledge to take proactive actions in alignment with the Sustainable Development Goals (SDGs) outlined in the 2030 Agenda for Sustainable Development. By integrating sustainable practices into our core business activities, we aim to drive positive social, environmental, and economic impacts that contribute to the global goals.

As part of our commitment, NanoMalaysia Berhad is committed to annually submit a Communication on Progress (COP) report. This report will include the completion of the online questionnaire of the Communication of Progress, providing detailed information on our progress, initiatives, challenges, and outcomes. We understand the importance of transparency and accountability in driving positive change, and our COP reports will serve as a testament to our ongoing efforts in this regard. NanoMalaysia Berhad is honored to be a participant in the UN Global Compact and to contribute to the shared vision of a more inclusive and sustainable world. We are excited about the journey ahead and look forward to collaborating with the United Nations and fellow signatories to create lasting impact.

Thank you for your dedication to advancing global sustainability. We remain committed to this important endeavor.

Sincerely,

Dr. Rezal Khairi Ahmad  
Chief Executive Officer  
NanoMalaysia Berhad
