Dear Mr. Secretary General,

I am pleased to confirm that The Australian Legal Sector Alliance Limited supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- Encourage our members to join the UN Global Compact;
- Organize learning and dialogue events, workshops and training for your members on the UN Global Compact and specific topics relevant to corporate sustainability;
- Engage your members in collective action and partnership efforts on key UN goals and issues;
- Develop sector-specific tools and resources on corporate sustainability issues;
- Provide expertise and/or the voice of your members to UN Global Compact working groups and special initiatives; and
- Support the development and activities of the UN Global Compact Network Australia.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact.

We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Your sincerely

Richard Jennings
General Manager
