Dear Secretary-General,

I am pleased to confirm that VERAISO INTERNATIONAL CERTIFICATION SDN BHD supports the ten principles of United Nations Global Compact on human rights, labor, the environment and anti-corruption. With this communication, we express our commitment to integrating the United Nations Global Compact and its principles into our corporate strategy, culture and day-to-day operations, and commits to participate in collaborative projects that promote the broader development goals of the United Nations, especially the Sustainable Development Goals. VERAISO INTERNATIONAL CERTIFICATION SDN BHD will make clear statements about this commitment to our stakeholders and the public.

We recognize that an essential requirement for joining the United Nations Global Compact is the submission of an annual Report of Progress (CoP) describing our company's efforts to implement the Ten Principles. We support public accountability and transparency of and therefore commit to reporting progress beginning in the calendar year following's accession to the United Nations Global Compact and each year thereafter, in accordance with United Nations Global Compact policy CoP. This includes:

- A statement signed by the Managing Director expressing his continued support for the United Nations Global Compact and renewing our ongoing commitment to this initiative and its principles. This statement differs from our original letter of commitment to join the UN Global Compact 'UN.
- Complete the online Progress Communication questionnaire, which will reveal our company's ongoing efforts to integrate the Ten Principles into our business strategy, culture and operations our daily activities, at the same time contributes to the goals of the United Nations, especially sustainable development. Development target.

Sincerely yours,

Mr. Azlan Bin Abdullah
Managing Director
