Commitment Letter: UN Global Compact

Dear Mr. Secretary General,

I am pleased to confirm that Save the Children Denmark supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- Influencing Danish businesses to advance human rights with a particular focus on child rights
- Propose and engage in partnerships on corporate sustainability, including engagement with other stakeholders
- Join and/or support issue platforms and workstreams of the Danish UN Global Compact office
- Promote engagement between Save the Children International and Global Compact Local Networks

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Yours sincerely,

Jonas Kejdung Lindholm
Generalsekretær/CEO
