

22 November 2023,  
H.E. António Guterres,  
Secretary-General,  
United Nations,  
New York, NY 10017,  
USA.

Dear Secretary-General,

I am pleased to confirm that Bring Hope Humanitarian Foundation supports the ten principles of the UN Global Compact with respect to human rights, labor, environment, and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles and will make a clear statement of this commitment to our stakeholders and the public.

We also pledge to participate in and engage with the UN Global Compact in the following ways: prioritizing human rights issues and ensuring rapid responses to emergencies whenever possible. As part of our unwavering commitment to sustainable development, Bring Hope pledges to undertake adaptation measures, such as cultivating native seeds and planting trees. This initiative significantly contributes to environmental sustainability and actively advocates for eco-friendly livelihoods. Additionally, we reassert our dedication to women's empowerment by integrating initiatives that foster gender equality and elevate the socio-economic status of women within the communities we serve. These efforts underscore our steadfast commitment to fostering positive change and creating a lasting, meaningful impact on the communities we support.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours;

**Mariwan Baker, PhD**  
Founder and Chairman
