Dear Secretary-General,

I am pleased to formally confirm that NPLH Drilling is in full support of the Ten Principles outlined by the United Nations Global Compact, focusing on human rights, labor, the environment, and anti-corruption. Through this communication, we articulate our commitment to the integration of the UN Global Compact and its principles into the strategic framework, cultural ethos, and day-to-day operations of our organization. Moreover, we express our dedication to engaging in collaborative initiatives that align with the broader development objectives of the United Nations, particularly the Sustainable Development Goals.

NPLH Drilling will communicate this commitment unequivocally to our stakeholders and the public. Recognizing that active participation in the UN Global Compact necessitates an annual submission of a Communication on Progress (CoP), detailing our company's endeavors to implement the Ten Principles, we affirm our support for public accountability and transparency. Consequently, we pledge to report on progress starting from the calendar year after our enrollment in the UN Global Compact, and annually thereafter, in accordance with the UN Global Compact CoP policy.

This commitment entails:

- A formal statement signed by the Chief Executive Officer, expressing unwavering support for the UN Global Compact and renewing our enduring commitment to the initiative and its principles. This statement is distinct from our initial letter of commitment to join the UN Global Compact.
- Completion of the online questionnaire for the Communication on Progress, wherein we will transparently disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture, and daily operations. Furthermore, we will highlight our contributions to United Nations goals, specifically the Sustainable Development Goals.

We look forward to our continued collaboration and contribution to the advancement of the principles and objectives set forth by the United Nations Global Compact.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'D. Blaquiere', with a horizontal line extending from the end.

Dana Blaquiere
Owner, NPLH Drilling
