Dear Secretary-General,

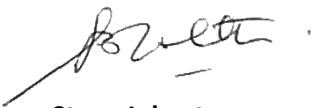

I am pleased to confirm that Suncorp Group re-joins the United Nations (UN) Global Compact after 12 months. We took an opportunity to understand our program of work and are now better placed to utilize the UN Global Compact membership offering. Suncorp remains committed to the Ten Principles of the UN Global Compact in the areas of Human Rights, Labour, Environment, and Anti-Corruption.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We commit to report on progress within one year of joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy.

This includes:

- A statement expressing support for the UN Global Compact and Principles.
- The completion of the online questionnaire of the CoP through which we will disclose our company's continuous efforts to integrate the Ten Principles into the way we do business and contribute to United Nations goals, particularly the Sustainable Development Goals.

Yours sincerely,

Steve Johnston
Group Chief Executive Officer and Managing Director
