Dear Mr. Secretary-General,

It is with pleasure that I confirm KHS ApS's full support for the United Nations Global Compact and its Ten Principles on human rights, labor, environment, and anti-corruption. With this letter, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. We are committed to contributing to the broader development goals of the United Nations through our actions and initiatives. KHS ApS will clearly communicate our commitment to the United Nations Global Compact and its principles to our clients, partners, and the public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy. This includes:

A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles.

The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

Sincerely Yours,

Feras Sbeihi
CEO
