**Respected Secretary-General,**

Namaste!!!

I am pleased to confirm that Shree Ramkrishna Exports Pvt. Ltd. fondly known as SRK supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment, and anti-corruption.

We are dedicated to incorporating the UN Global Compact principles into everything we do at SRK. This means they will be a key part of our strategy, culture, and daily activities. We are also keen on joining hands with others to support the United Nations' development objectives, especially the Sustainable Development Goals. We will make sure to communicate this commitment openly to all our stakeholders and the public.

We understand that to be part of the UN Global Compact, we need to share our progress each year in a report called a Communication on Progress (CoP). This report will detail how we are putting the Ten Principles into action. We believe in being open and transparent, so we promise to start reporting on our progress the year after we join the UN Global Compact, and then every year after that, following the UN Global Compact CoP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

**Yours Faithfully,**

**Shreyans Dholakia**
