Dear Mr. Secretary General,

I am pleased to confirm that Korea Planning & Evaluation Institute of Industrial Technology supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): Implement the UN Global Compact's Ten Principles through our own strategy and operations.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

Dear Mr. Secretary General,

We, at the *Korea Evaluation Institute of Industrial Technology(KEIT)*, are pleased to support and endorse UN Global Compact's principles and activities, such as the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment to UN Global Compact's principles, we express our intent to support the UN Global Compact in advancing these goals, as well as making a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways: 1) Implement the UN Global Compact's Ten Principles through our strategy and operations. 2) Encourage business and others we interact with to participate in the UN Global Compact and support UNGC's various activities.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. As we support public accountability and transparency, we commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

Chairman and President
