LETTER OF RECOMMITMENT

29.05.2024

**H. E. António Guterres Secretary-General United Nations New York, NY 10017 USA**

Dear Secretary-General,

I am pleased to confirm that Pooma Educational Trust supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. Pooma Educational Trust will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy.

This includes:

1. A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact
2. The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

Sincerely yours,

I.AZEEZ, The Founder Chairman

## We support the Ten Principles of The United Nations Global Compact

### **THE VALID REASON AS TO WHY POOMA EDUCATIONAL TRUST WISH TO REAFFIRM COMMITMENT TO UNGC PRINCIPLES**

Pooma Educational Trust strongly believes that its association with the UNGC can be mutually beneficial for several reasons:

#### **ADVOCACY FOR SUSTAINABLE PRACTICES.**

Although Pooma Educational Trust is not a business entity, its activities and advocacy efforts align closely with the UNGC's principles. The trust actively involved in promoting sustainable and ethical practices within my community, which can contribute to the UNGC's mission.

#### **EDUCATIONAL OUTREACH**

Pooma Educational Trust engages in educational programs that raise awareness about the UNGC's goals and initiatives. By becoming a member, it can provide more accurate and up-to-date information, thereby extending the reach of the UNGC's values especially in schools and colleges as free service. You can refer to all my COEs updated on the UNGC website as school and college programs.

#### **COLLABORATIVE PROJECTS**

Pooma Educational Trust is keen on collaborating with UNGC-affiliated projects that further the UNGC's Ten Principles. This collaboration can serve as a bridge between the school world and the wider community.

**I. AZEEZ, The trust chairman**

Pooma Educational Trust is started on my mother's name, who passed away by adenocarcinoma cancer cells. (This trust is registered under the society acts of India. And I'm a tax payer to the Government of India). So the entire family members serve the global community through UNGC programs in Education sector. The trust is connecting nearly 450 schools and 10000 students across India by serving them to save their time to celebrate, to give awareness, to give tips, to appreciate, National and International days. And also for our school participants to get Global recognition through UNGC

Its motivation for wanting to join the UNGC stems from my commitment to global sustainability and responsible citizenship. I am eager to learn from the collective knowledge within the UNGC and to contribute my perspective to enrich discussions and strategies.

#### **DECLARATION**

I, Azeez, The trust chairman assures you of my commitment to settling any issues promptly and submitting the Communication on Engagement (COE) within the specified timeline.

I hope this clarifies my position and intentions. I am looking forward to the possibility of contributing to the UNGC's esteemed network.
