H.E. António Guterres Secretary-General United Nations
New York, NY, 10017

Dear Secretary General António Guterres,

2024/06/24

Thank you to you and your team for your integral work to accelerate global sustainability impact. We are thrilled to share that Narratives Inc. supports the [Ten Principles](#) of the United Nations Global Compact focusing on human rights, labour, environment, and anti-corruption. We are committed to upholding these principles in our ongoing plans and actions. We will continue to engage in projects which advance the Sustainable Development Goals from No Poverty to Gender Equality to Climate Action. Narratives Inc. will share this commitment with our stakeholders and the general public, thereby generating further support for these important principles and goals.

In addition to sharing stories of lessons learnt and successes, an important way to understand progress is through the yearly submission of a Communication on Progress (CoP) that highlights our efforts at Narratives to implement the Ten Principles. Recognizing the importance of accountability and transparency, we will report on progress starting in 2025, the calendar year after joining the UN Global Compact, and annually going forward in line with the UN Global Compact CoP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

In the context of a rapidly changing climate and growing inequality, we thank you for this meaningful opportunity to be part of a larger movement for a more sustainable and equitable world. By joining together with a shared vision and a clear pathway to collaborate, we can increase our sustainability impact. Should you have any questions, please do not hesitate to contact me at somia.sadiq@narrativesinc.com or at 1-204-807-0339.
