I am pleased to confirm that the Saudi Awwal Bank (SAB) supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader developments goals of the United Nations, particularly the Sustainable Development Goals. SAB will make a clear statement of this commitment to our stakeholders and the general public.
