Sample Commitment Letter for Non-Business Organizations

H.E. António Guterres Secretary

General United Nations

New York, NY 10017 USA

Dear Mr. Secretary General,

I am pleased to confirm that the German Jordanian University supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): Committing to fostering a global community dedicated to sustainable development and social responsibility. Aligned with our core values and mission to advance knowledge, promote critical thinking, and tackle global challenges, we embrace the principles outlined in the UN Global Compact. We also dedicate to launch and support initiatives aimed at building a sustainable community, underpinned by robust justice institutions. Through practical action, awareness-raising efforts, and knowledge production, we endeavor to contribute to the creation of a more just, equitable, and sustainable world.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Best Regards,
President

Prof. Ala'aldeen Al-Halhouli
