To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to we never read the email which you deliver to our company email on June 04<sup>th</sup>. It is ignored. And we had provide 2013 CSR to your side [lrsm@un.org](mailto:lrsm@un.org) on May 14<sup>th</sup>, but it is not update on your website. She maybe not received.

Wish you side could give me the last chance to provide our COP report that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Sincerely yours,

胡春勇
