

LE HUYNH AN TOÀN - HỢP TÁC - BỀN VỮNG

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to technological and personnel reasons since our email account for UN Global Compact ceased working and it took a while for us to request a new one, furthermore the break of lunar new year (from mid to the end of February 2015) also caused impacts as some staff were on annual leave including the person in charge of COP.

We were slow in sending Progress Report, partly due to lost email, another part is due to the holiday lasts so short-staffed to support implementation of the Network activities.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website on Friday, March 6th 2015.

Sincerely yours,

Huỳnh Tấn Đạt, Director
