Dear Mr Secretary-General,

I am pleased to confirm that Pay it Forward Ltd supports the ten principles of the Global compact with respect to human right, labour, environment and anti-corruption.

With this communication, we express our intent to advance those principles within our sphere of influence.

We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Millennium Development Goals.

Pay it Forward Ltd will make a clear statement of this commitment to our stakeholders and the general public.

We recognise that a key requirement for participation in the Global Compact is the annual submission of a Communication on progress (COP) that describes our company's efforts to implement the ten principles. You have our pledge of re-commitment following our last late submission of our COP due to commitments overseas.

You have our pledge that we support public accountability and transparency, and therefore commit to report on progress annually according to the Global Compact COP policy.

Sincerely yours,

Stephen Lea  
Director  
Pay it Forward Ltd
