United Nations Global Compact
2014 07 31

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to intensive work associated with the introduction of the euro - Lithuania becomes a member of the Eurozone on 1st of January, 2015.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report of 2013 will be posted on the UN Global Compact website by 30th of September at the latest.

Sincerely yours,

Gintaras Treinys
