

4<sup>th</sup> August 2014

**To our stakeholders:**

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes

We are late in creating, sharing and posting our COP report due to changes in personnel. Our new additions to the team need a little more time to familiarise themselves with the commitments we have made, actions taken and ensure that we report with integrity this year.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact with the levels of commitment and integrity throughout the company which you would expect. Our new COP report will be posted on the UN Global Compact website by 29<sup>th</sup> November 2014 at the latest.

Yours Sincerely,

Luke Wilde -Director
