

August 5, 2014

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP Report for FY 2013-14 as the top management has been occupied in tasks relating to the Board Meeting and Annual General Meeting and activities related thereto due to which they were unable to finalize the COP Report.

We hereby ask for an extension period in order to be able to post a COP Report that describes our Company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by **3rd November, 2014** (that is 90 days from the due date, being 5th August, 2014) at the latest.

Sincerely yours,

(Lalit Jain)
