To Ms. Naoko Kimura  
Relationship Manager - Asia & Oceania  
United Nations Global Compact Office

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to rapid turn-over of manpower, change of the person in charge and losing the login password. We have now settle all outstanding issues and ready to continue our commitment toward the principles of UN Global Compact.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by September 30th, 2014 at the latest.

Sincerely yours,

Mr. C.T Lew  
Managing Director
