AGUERRI®

Tafalla, 2014, July 30

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the coincidence of the deadline to submit the report, with a large increase in sales of our business, coinciding with the summer season, which has prevented us from sending the report on the specified date.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website before 2014, October, 30, at the latest.

Sincerely yours,

Name Mr. /Ms. HECTOR AGUERRI (CEO)
