Re: COP Grace Letter

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) report that comprised of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regards to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report, as we are currently working on our annual CSR report which is due to be ready at the end of September and we would like to have the opportunity to submit it along with our COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October 31st at the latest.

We appreciate the consideration given to our request as we greatly value our support for the UN Global Compact.

Kind regards,

Lena Mamidaki
