

08 October 2014

To our stakeholders,

Australia Post Communication on Progress submission date

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Due to the fact that the 2014 Australia Post Annual Report is not due to be tabled in Parliament until Monday 20 October, and our COP report references data and information contained in our Annual Report, and includes links to the Annual Report, I wish to advise that the submission of Australia Post's COP report will be later than the requested submission date of 20 October.

We hereby ask for an extension period in order to submit a COP report that describes Australia Post's efforts and progress to implement the principles of the UN Global Compact. Our COP report will be posted on the UN Global Compact website on Wednesday 22 October.

Yours sincerely,

Nicky Tracey
Head of Corporate Responsibility
