To our stakeholders:

We recognize that a key requirement for participation in the Global Compact is the preparation and posting of a Communication on Progress (COP) that comprises a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are delayed in creating, sharing and posting our COP report due to the planning and implementation of various sustainable development in tourism initiatives and complexity in the preparation of our COP report.

We hereby request an extension in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 10 January 2015.

Sincerely yours,

Brian Anderson
