Statement of continued support

November 1st, 2014
to our stakeholders,

I am pleased to confirm that PGS reaffirms its support to the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we refer to our Responsibility Review, where we have described our actions to continually improve the integration of the Global Compact principles into our business strategy, culture and daily operations.

We also commit to share this information with our stakeholders using our primary channels of communication.

Sincerely yours,
