Our ref.: Grace letter 2014

Londerzeel, October 22nd 2014

Dear sirs,

With this letter we humbly apply for a 90-days grace period to submit our next Communication on Progress.

Some of the key data for the reference period July 2013-June 2014 have only become available mid-October. In previous CoP's, we have used these data as key performance indicators for our company's progress in environmental issues and we wish to continue this approach. However, it may take a bit more time to integrate the data and comment on them.

In order to finish our next Communication on Progress with information that is comparable to previous versions, we hereby request a grace period.

Do not hesitate to contact me directly by phone on +32 52 30 36 36 or by e-mail at christophe.landuyt@vanos.be if you need any further information regarding our request.

Yours sincerely,

Christophe Landuyt
Reporting officer
