To Our Stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Çimsa signed The Global Compact on December 6, 2013. We, as Çimsa, are currently focusing on preparing our sustainability report for the year 2013. We will be publishing our report before the end of December 2014. As we publish our report, we will be sharing it via our Communication on Progress (COP). Considering the detailed work and effort in this process, we hope that you understand our requirement for additional time on top of COP due date.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by January 31, 2015 at the latest.

Sincerely yours,

Ms. Ülkü Özcan
