

Madrid, 4th November, 2015

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprime of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of teh UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to 2013.

We hereby ask for an extension peiod in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 2nd February 2015.

Sincerely yours,

Mariano Esteve Alarcón

Director
