United Nations Global Compact

Stockholm, 4 of November 2014

**Adjustment Request**

Dear Sir or Madam,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the Un Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and as measurement of outcomes or expected outcomes.

Our company joined the initiative in January 2014, and we would like to align our COP reporting with our annual sustainability reporting cycle. Therefore, we hereby ask for an extension of the first COP submission deadline to 30 of June 2015. Our COP report will be posted on the UN Global Compact website by 30 of June at the latest.

Please do not hesitate to contact me if you have any questions regarding our request.

Sincerely yours,
