To our stakeholders

17 November 2014

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact; a description of practical actions with regard to the main issue areas of the UN Global Compact; and a measurement of outcomes or expected outcomes.

We intend to deliver our COP principally through the medium of our annual sustainability report and therefore want to align our reporting cycle with the COP deadline, so we hereby request our COP deadline to be adjusted to 31 July 2015.

Yours sincerely

Susan Stuart
EMEA Sustainability Director
