United Nations Global Compact

Date November 25, 2014

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We would like to adjust our COP reporting deadline to our annual report deadline and therefore match the two deadlines accordingly to the end of each year's quarter one.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by March 30, 2015, at the latest.

Sincerely yours,

Brigitt Hausammann
