08.12.2014 № 14-08/6275/к
На № _____ від _____

1 December 2014

To whom it may concern:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

This year our company will be publishing an integrated annual DTEK report 2014 which will contain both financial and non-financial information. The report is due to be published at the end of April 2015.

We hereby ask for an extension period by April 30, 2015 in order to be able to post an annual integrated DTEK report 2014 that among other things describes our company's efforts and progress to implement the principles of the UN Global Compact.

Sincerely yours,

Victoria Grib
Head of Sustainability
