To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the fact that our Managing Director, the signatory authority, is out of the country on business tour at the present moment.

We hereby ask for an extension period of 90 days in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Sincerely yours,
