Re: Extension period of COP – Communication on Progress

Date

Aarhus N, 12 December 2014/LIHAR

The Vestas Communication on Progress for 2013 was uploaded 4<sup>th</sup> February 2014. The deadline for the 2014 COP is 4<sup>th</sup> February 2015. However, the Vestas annual report 2014 will be published 11<sup>th</sup> February 2015 so we need to extend the deadline for the COP.

Yours sincerely
