Dear UNGC Transparency and Disclosure Team and Enbridge Stakeholders:

Enbridge recognizes that a key requirement for participation in the UN Global Compact is our annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Enbridge will be posting our 2014 CSR/Sustainability Report (including our COP) at the end of March 2014, concurrently with the posting of our Annual Financial Report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by April 1, 2015 at the latest.

Best regards,

MaryAnn Kenney
