Sevran, December 17th, 2014

Dear Sirs,

In accordance with our obligations as a member of UN Global Compact, we have to prepare a Communication On Progress (COP) for December 18th, 2014.

We have not finalized our report yet, but we expect doing it for January 30th, 2015 at the latest.

That is the reason why we would be grateful if you could grant us an extension of the COP due date.

Yours faithfully.

Jean-Paul Maillard
