

Centre Spécialités Pharmaceutiques

Madame BRENAS - President (CEO)
76-78 Avenue du Midi – BP 77
63802 COURNON D'AUVERGNE Cedex
FRANCE

To our stakeholders :

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the audit of follow-up of Quality, Security and Environnement certification (ISO 9001, ISO 14001, OHSAS 18001).

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 2015/03/23 at the latest.

Sincerely yours,

Laure Brenas

President
