Dear Mr Ban Ki-Moon,

I have the pleasure to confirm you that Groupe Auchan is renewing its commitment to the Global Compact for the third time.

By this mail, I wanted to inform you that Groupe Auchan 2013 annual and corporate & social responsibility report have been chosen to communicate on our progress. For more exhaustive reading of Groupe Auchan CSR policies, the CSR section of the management report is available on www.groupe-auchan.com.

This document establishes an exhaustive answer to the obligations of reporting in which Auchan Groups is subjected by virtue of the French regulations.

Through both of these reports, Groupe Auchan provides tangible elements of its achievements for its five core businesses. The document also reaffirms its commitment to a policy of sustainable development, active, concrete, consistent with its values and beliefs.

We are aware of the progress that we have left to do, and we know that we will continue to respond with even more voluntarism and determination to the needs of our stakeholders.

Best regards.

Vianney Mulliez
Chairman of the Board of Directors
