This letter is to file an adjustment request to update the BMW Group's annual Communication of Progress submission deadline from February 2, 2013, to June 15, 2013.

The reason for this is that the Communication of Progress submission deadline has not been matching our reporting cycle in the past years.

We thus feel it being appropriate to adjust the Communication of Progress submission deadline to our new reporting cycle. This will also improve the timeliness and relevance of the information included in our annual Communication of Progress for our stakeholders.

Sincerely,
Bayerische Motoren Werke Aktiengesellschaft

Miki Yokoyama
Sustainability and Environmental Protection
