GRACE LETTER

UN Global Compact Communication On Progress

Vega Sea A/S signed up for UN Global Compact in March 2014 and we are due to submit our first Communication On Progress Report on 21 March 2015. However, in order to make our progress report with the UN's 10 principles in alignment with our financial reporting cycle (1 July to 30 June), we kindly ask for permission to postpone our first Global Compact Communication On Progress to 30 September 2015.

We appreciate the consideration given to our request, and will continue our work to support and implement the 10 principles of Global Compact within our business operations.

Sincerely yours,
Vega Sea
