

Copenhagen, 10.07-2014

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report simply due to lack of time. Responsible for our CSR work is just one person, the undersigned, why time has been short in a busy time for the company.

However, now we're in the summer weeks, where things tend to slow down, which will give me the needed time to complete the COP.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October 1<sup>st</sup> 2014. at the latest.

Sincerely yours,

Mr. Jakob Gaard Nielsen,  
CSR manager, Sticks'n'Sushi
