TRANSNET SOC LTD COMMUNICATION ON PROGRESS 2014

As the Group Chief Executive of Transnet SOC Ltd (Transnet), I hereby confirm Transnet's continued commitment to upholding and supporting the Ten Principles of the United Nations Global Compact (UNGC) in the areas of Human Rights, Labour, Environment and Anti-Corruption.

Through Transnet's annual integrated reporting process, a Sustainability Report is compiled for our stakeholders. We have included reference to the UNGC principles throughout the report highlighting progress against these principles by making use of the UNGC icon. In addition, a UNGC table is included in the report as a separate appendix outlining the progress made by Transnet in applying the principles over the past year. Transnet is reporting as a "Global Compact Active" participant.

We trust that Transnet's second annual Communication on Progress, submitted herewith as Transnet's Sustainability Report 2014, meets the requirements of the UNGC.

Kind regards,
