Dear Gordana,

Re: Request for an extension of the deadline - Israel Discount Bank

On February 9, 2014, we submitted an adjustment request for Israel Discount Bank which you accepted up until today's date of July 31st.

However, it seems that in order to upload an assured and complete COP (assimilated into our CSR report), an additional four-day extension (until August 4th) will be necessary.

We apologize in advance for the late notice.

Please confirm receiving this inquiry as soon as possible.

Sincerely,

Rotem Blanc Inbar,
Project manager, Sustainability and CSR
BDO Ziv Haft

(On behalf of Israel Discount Bank)
