To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regards to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Our official file date for our COP is August 9th, due to unforeseen reasons, we hereby ask for an extension period. This will enable NAC to post a detailed COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted to the UN Global Compact website no later than October 31, 2014.

Sincerely yours,
