To all our stakeholders

We recognize that a key requirement for participation in the United Nations Global Compact is the annual preparation and posting of a Communication on Progress (COP) document that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes

We have worked on our COP document 2014 but are late in sharing and posting this COP report which should be due to February 3rd, 2015.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15 April 2015 at the latest.

Sincerely yours

Pascale TABAKIAN
Corporate Social Responsibility Project Manager
