To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

As our objective is to streamline the Corporate Social Responsibility section in our annual report with our COP report, we kindly ask for an extension in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact at the same time as our annual report. Our new COP report will be posted on the UN Global Compact website by May 10th at the latest.

Sincerely yours,

Mari Vonen  
Compliance Officer
