Unite Nation Global Compact

Communication on Progress 2014

Statement of Continued Support By Chief Executive Officer (CEO) Saita Pakistan Pte Ltd.

February 25, 2015

Dear Secretary General,

We, Saita Pakistan a leading Engineering and Construction firm, wish to state that we will continue to support and renew the ongoing commitment to the core initiatives of the Global Compact and its 10 principles for human rights, labour standards, the environment and eliminating corruption.

Saita Pakistan is actively committed to translating the core principles into value enhancing management practices as they form a performance aspiration, which enables us to attain even higher levels of performance and generate lasting value for our business stakeholders and society at large. The Principles allow for a good deal of innovation and maximizes our corporate sustainability performance. We have integrated the Global Compacts ten principles into our mainstream corporate strategies, operations and everyday approaches to management and in the way we do business.

We Saita Pakistan Pte Ltd., understand that the Global Compact's ten principles, which we have adopted and value creation are inseparable and strongly interconnected and we are committed to promote the global compact as an instrument for making corporate sustainability a strategic consideration.

Sincerely Yours,

Pirzada M. Ajmal Farooqi
Chief Executive Officer
Saita Pakistan Pte Ltd.

C-79, KDA Scheme No. 1, Opp. Bahria Auditorium Off. Karsaz Road, Karachi.

Principle-1

(Human Rights)

Actions

- Saita Pakistan adheres to International rules and declarations for employee's betterment.
- Saita Pakistan ensures that employment contracts are fair, transparent, and understood by the workers.
- Saita Pakistan has a procedure or process for receiving and responding to health and safety complaints, such as designating a health and safety representative or committee.
- Saita Pakistan provides its staff with competitive remuneration packages according to the national policies and procedures.
- Saita Pakistan ensures, by proper investigation, that it does not use labour from agencies or firms involved in trafficking, debt bondage, or kidnapping.
- We ensure our employees a safe and healthy working environment.
- Risk assessments, fire drills and mock drills are conducted on regular basis.
- Workers and managers are trained to respond to workplace emergencies and first aid kits are readily available.
- All workers are allowed to leave Saita Pakistan premises at the end of their shifts.
- Saita Pakistan pays a living wage and does not compel workers to engage in a cycle of salary advancements in order to meet living expenses.
- Trainings such as defensive driving, fire fighting, first aider, medivac and job specific trainings are conducted on regular basis.
- All equipment being used are safe and third party certified.
- Implemented SA-8000 and other related international third party certifications.
- The code of ethics document is signed by all employees.

Outcome

- Maintaining a diverse workforce has made Saita Pakistan better equipped to compete in the global economy.
- Saita Pakistan has become more attractive as a client for contractors, suppliers and other business partners.

- Employees have become more motivated, leading to increased productivity and higher retention rates
- Saita Pakistan has led to be an attractive employer in the job market.

External Measures

- Hiring labor from the local communities.
- Compliances with the international guidelines and standards while using security services for site operations.
- Purchasing commodities from the local communities.
- Preventing force able displacement of Individuals, group and communities.
- Protecting economic livelihoods of local communities.
- Providing fresh drinking water to the local communities.

Principle-2

(Human Rights)

Actions

- Saita Pakistan distributes a prevention policy on workplace violence and harassment, which notifies employees of their obligations to refrain from violent, threatening or abusive conduct toward others.
- Saita Pakistan acknowledges the right of every permanent employee to form free association or not to do so for collective bargaining.
- When there is sufficient evidence that an employee has engaged in an act of violence, Saita Pakistan reports the individual to the appropriate government authority.
- The code of ethics is reviewed and signed by all employees on yearly basis.
- Saita Pakistan promptly addresses stress and tensions (such as racial tensions) in the workplace which can later lead to abusive, violent or harassing conduct.
- Human rights assessments are carried out.
- Explicit policy is available for security arrangements to make sure human rights are not violated.
- Managers are trained to use appropriate management techniques, including proper disciplinary measures, and instructed to refrain from harassing, violent, threatening and abusive conduct.
- Monitoring system is available to make sure human rights policies are implemented.
- Saita Pakistan has a mechanism to receive reports of workplace violence, harassment and threats, which is specifically designed to competently address all types of workplace misconduct, including sexual harassment.
- Records show that Saita Pakistan systematically and objectively reviews any complaints filed and implements corrective action if necessary.
- Human right policies are available for the protection of workers.
- Saita pursues the highest standards in ethics, morals and values.

External Measures:

Actions:

- Internal audits are conducted on regular basis according to the standard operating procedures of human rights abuse.
- We encourage our associates and business partners to comply with the ISO-9001, ISO-14001, OHSAS-18001 and the SA-8000 certifications.

Principle-3

(Labour)

Freedom of association and effective recognition of the right to collective bargaining.

Actions

- Saita Pakistan recognizes and respects the rights of employees to exercise their lawful rights of free association and collective bargaining.
- Saita Pakistan does not discriminate against employees who form or participate in lawful associations and/or collective bargaining. Forms of discrimination include, but are not limited to:
 - Wage penalties
 - Suspension
 - Termination
- Saita Pakistan does not illegally discriminate against employees who choose not to join any association or bargain collectively.
- Saita Pakistan does not discriminate against applicants who have previously exercised their lawful rights of free association and/or collective bargaining.
- Saita Pakistan does not discriminate or take adverse actions against employees in retaliation for exercising employee rights, participating in union activities, or reporting suspected legal violations.
- Saita Pakistan provides reasonable notice of impending changes in operations that will affect employment at Saita Pakistan, such as anticipated mergers and layoffs.
- Saita Pakistan recognizes workers organizations for collective bargaining purposes.
- Saita Pakistan allows worker representatives reasonable access to the Saita Pakistan documentation needed to fulfill their duties; negotiate with the Saita Pakistan, and ascertain the performance of the Saita Pakistan regarding relevant matters.
- Saita Pakistan believes in the freedom of opinion and expression of all stakeholders within the organization.
- Saita Pakistan takes efforts to protect employees from union-related harassment by other workers.
- Saita Pakistan does not use military actors to discourage strikes, intimidate workers, or interfere with the exercise of employee rights.
- Saita Pakistan engages in collective bargaining and holds regular consultations with

authorized workers' representatives concerning working conditions, remuneration, dispute resolution, internal relations and matters of mutual concern.

- Management meets regularly with employee representatives to discuss work-related problems and any grievances employees may wish to raise.

Principle-4

(Labour)

Businesses should uphold the elimination of all forms of forced and compulsory labor.

Workplace

Actions

- Saita Pakistan does not use involuntary or forced labor – indentured, bonded or otherwise nor does it support the use of forced or compulsory labor in any form including bonded, forced, and/or compulsory prison labor.
- Saita Pakistan does not do business with vendors/suppliers found to be using forced labor in any form.
- Saita Pakistan prohibits all relevant individuals from coercing employees in any way or unnecessarily limiting employees' freedom of movement.
- Saita Pakistan does not require employees to submit original documents at the time of employment or during the period a person is employed.
- Saita Pakistan has a policy prohibiting forced labour in its various forms, such as debt bondage, compelled involuntary overtime, forced prison labour and trafficked labour.
- Forced labor and child labor is prohibited within the sphere of our influence.
- All workers are allowed to leave the employ of the Saita Pakistan after reasonable notice.
- Saita Pakistan records demonstrate that Saita Pakistan immediately grants letters of release whenever the letter is needed for an employee to retain a job elsewhere.
- Exit interviews are taken for feedback and necessary action are taken accordingly.
- All workers are allowed to leave the employ of the Saita Pakistan after reasonable notice.
- Saita Pakistan does not withhold wages or threaten to withhold wages to compel overtime, but makes payments on a regular basis, and in a timely manner.
- Providing employment contracts to all employees in various languages stating the terms and conditions of service, the voluntary nature of employment and the freedom to leave.
- Saita Pakistan provides a clear policy of national standards against forced labor.
- Ensures all Saita Pakistan officials have a full understanding of forced labor.
- Prohibiting policies and procedures where workers launch financial deposits while being hired.
- Either party can terminate employment contracts within the notice period.
- Saita Pakistan strongly prohibits forced labour, compelled overtime, human trafficking or debt bondage.
- Closely monitoring supply chain and sub contracting arrangements.

- Saita Pakistan does not require workers to lodge money deposits with Saita Pakistan.

Community of operations

Actions:

- All associates and business partners are internally audited according to the International policies of forced labour.
- Awareness program are conducted regarding all forms of Forced labour.

Principle-5

(Labour)

Businesses should uphold the affective abolition of child labour.

Workplace

Actions

- Saita Pakistan discourages child labor at all levels in the society and uses following steps to show its resentment.
 - Discontinuation of business, with suppliers, who fail to address child labor.
- Immediate termination of contractor, if found employing child labor.
- Hiring managers are aware of the forms of identification forgery commonly used in the country of operation and they are able to spot such forgeries.
- Saita Pakistan does not hire any person under the age of 18 to perform work that interferes with their education.
- Saita Pakistan does not hire or contract workers under the age of 18 to perform work that exposes them to psychological, emotional or sexual abuse. (II 3(a), International Labour Organization Recommendation 190)
- Internal audits are done regularly in order to comply with the International child labour policies.
- Workers are subject to medical examinations to ensure their fitness for the form of employment they are to undertake.
- Saita Pakistan does not hire or contract workers under the age of 18 to work underground, under water, at dangerous heights or in confined spaces.” (II 3 (b), International Labour Organization Recommendation 190)
- Influencing measures are taken with sub-contractors, suppliers and another business affiliates to combat child labor.

- Saita Pakistan policy has detailed emergency procedures, prevention plans, and training programs to protect against dangers and handle emergencies.
- Developing a code of conduct for its operations and products that confirms commitment to care for health and the environment.
- Internal HSE audits are conducted regularly to strengthen the HSE culture within the organization.
- Creating a managerial committee that oversees the Saita Pakistan application of precautions, in particular risk management in sensitive issue areas.
- Establishing a two way communication with stake holders in a proactive and transparent manner to ensure effective communication of information about uncertainties and potential risk and action measures to deal with related enquires and complains.

- Join industry-wide collaborated efforts to share knowledge and deal with issues in particular production processes and products around with high-level of uncertainty, potential harm and sensitivity exist.
- Saita Pakistan has a clearly audible/visible alarm system that warns nearby communities of potential emergencies, if necessary.
- Sound pollutions and gas emissions are monitored regularly through internal auditors and third-party certification regulatory bodies.

External Measures:

Actions:

- We provide HSE trainings to all external contacts before and during the execution of projects.
- Monthly environmental monitoring is carried out through external certifying bodies.
- Saita Pakistan has developed emergency community evacuation plans with the appropriate local, regional, and national authorities, if necessary. Community residents are clearly informed about these plans and familiar with the evacuation procedures contained therein.
- Incidental spills are handled by trained staff with the help of spill control kits to safeguard the environment.
- If the site is located far away from a hospital, Saita Pakistan has adequate medical resources and competent staff to provide preliminary relief and treatment to people who might suffer the consequences of an industrial accident.
- Records show that Saita Pakistan systematically and objectively reviews any complaints filed and implements corrective action if necessary.
- We encourage local communities, suppliers, contractors, government agencies, and other organizations to comply with ISO 14001 and OHSAS 18001 policies and regulations.

Principle-8

(Environment)

Environmental Responsibilities:

Actions:

- Policies are implemented to preserve and protect the environment according to international standards.
- Performing monthly environmental checks, audits and trainings throughout the entire business in order to comply with the policies and procedures.
- Creating vision, policies and strategies in-line with economic prosperity, environmental quality and social equity in order to achieve sustainable development.
- Establishing a sustainable production and consumption program with clear performance objectives to take the organization beyond compliance in the long run.
- Working with suppliers to improve environmental performance, extending responsibility up the product chain and down the supply chain.
- Our policies promote conservation of resources, waste management and minimization of the release of chemicals and gases in the environment.
- Saita Pakistan's emergency response procedures comply with the highest level of industry standard, or exceed the standard when necessary.
- Ensure transparency and unbiased dialog with stakeholders.
- Environmental friendly training programs are conducted on regular basis.
- Saita Pakistan has achieved ISO 14001 certification (Environmental Management System) in order to develop an environmental friendly culture within the organization.
- Emission aspects are identified and environment management plan is developed accordingly.

External Measures:

Actions:

- Encouraging business partners to comply with EST (environmentally sound technologies) in their business processes.
- Conducting the third-party audit on ISO 14001 certification within the organization.
- Promoting a paperless filing system and electronic communication for official use.
- Tree-plantation campaigns are undertaken at all sites operated by the Saita Pakistan in order to off-set emissions and improve environmental ambiance.

Principle-9

(Environment)

Environment-Friendly Technologies:

Actions:

- We work closely and corporately with local communities, suppliers and contractors, Government agencies and other organizations engaged in improving the environment.
- Improved environmental technology can be achieved by changing the process or manufacturing techniques, further changing input materials and by reusing materials on site.
- All products used are environmental friendly and certified under the environmental Law of the country.
- Making information available for stakeholders that illustrates the environmental performance and benefits of using such technologies.
- Refocusing research and development towards 'designed for sustainability'.
- Use of life cycle assessment in the development of new technologies and products.
